REMARKS

This is a supplemental amendment that supplements the amendment filed January 6, 2006, which was a full and timely response to the non-final Official Action mailed October 6, 2005. Reconsideration of the application in light of the above amendments and the following remarks is respectfully requested.

By the foregoing amendment, claim 1 has been amended. No claims are added or cancelled by the foregoing amendment. Claims 36-41 were added previously in the amendment of January 6, 2006. Claims 6, 7, 9-13 and 17-35 were cancelled previously without prejudice or disclaimer. Thus, claims 1-5, 8, 14-16, and 36-41 are currently pending for further action.

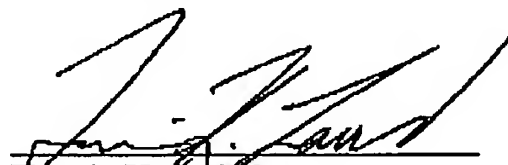

Claim 1 has been amended to clarify the scope of the subject matter discovered and claimed by Applicant. As such, the present application is thought to be clearly in condition for allowance. Accordingly, favorable reconsideration of the application in light of these remarks is courteously solicited.
